

# Low Cost Opportunity for Home Energy Improvements

The City of Lafayette and Boulder County EnergySmart launch a **NEW On-Bill Repayment Program for Lafayette Residents!**

## 4 Easy Steps to Increased Comfort and Energy Savings:

1. Contact EnergySmart at 303-544-1000 to get started! Find out if you are eligible based on the income criteria, and explore your home improvement opportunities (see tables below).  
 Note: to be eligible you must own your home and live in a single family, townhome, condo, or manufactured home within Lafayette City limits.
2. Apply for on-bill loan repayment through our financing partner, Funding Partners. You can apply for low-interest loans (only 1.5% APR) ranging from \$1,000 - \$5,000. The application fee is \$25.
3. Once qualified for financing, schedule a Home Energy Assessment to understand the ways your home is leaking energy. The upfront assessment upfront cost is \$185. If you complete a home improvement and close on a loan, the \$185 will be refunded to you! Your EnergySmart Advisor will help you review contract bids and find all available rebates for your improvements.
4. Close the loan and pay off the home energy improvement over time via your city utility bill. It couldn't be easier!

**Enrollment in this pilot program is limited.**

**Interested Homeowners call 1-303-544-1000**
