

## SMALL BUSINESS PRE-DISASTER FINANCIAL CHECKLIST

Be prepared for when disasters strike. The Federal Reserve Bank of Kansas City has developed this quick disaster preparedness checklist to help you gather important financial information:

- Complete the Federal Reserve Financial Form
  - Important documents and back-ups
  - Business financial records and back-ups
  - □ Tax returns for the last three years
- Understand current insurance policies and reassess annually
  - □ Do you have coverage for leased or owned equipment?
  - Do you need business interruption insurance?
- Complete an inventory of your property and contents
- □ Have a relationship with your bank
- Develop an emergency financial fund to cover insurance deductibles, short term and reopening costs
